ALL-COUNTY LETTER NO. 81-33

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: REVISED ALLOCATION OF IHSS FUNDS FY 1980/81

REFERENCE: ALL-COUNTY LETTER 81-13

The Department of Social Services has a projected deficit for the IHSS Program for fiscal year 1980/81. To ensure that sufficient funds are available to carry out your responsibilities under current IHSS regulations, we are pursuing a deficiency appropriation from the Legislature. The bill number for this appropriation will be transmitted to you at a later date.

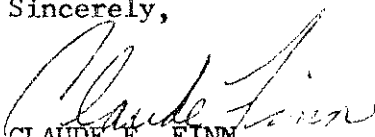

The Department is lobbying for passage of this bill by May 8, 1981 to ensure that funds will be available to meet IHSS payrolls scheduled for payment through June 1981 by the IHSS Payrolling Contractor, Electronic Data System, Federal (EDSF), by county contractors, and through the Administrative Claim.

In the meantime, the Department has received requests for additional IHSS funds from 38 counties in response to ACL 81-13. Attached is an allocation of additional funds, either made previously by letter or telegram or made now, which is intended to ensure that all counties have sufficient funds to carry them through May, 1981. The revised allocation is either 91.7 percent of the identified shortage plus the original allocation or the original allocation, whichever is greater.

The balance remaining after the revised allocation will be used to fund any new requests from counties that need funds to get through May 1981. On May 1, 1981, any amount remaining will be distributed to those counties projected to have a deficit in June on a prorata basis. This final distribution will not be sufficient to cover projected expenditures in these counties for June 1981. No additional funds will be available for this purpose unless and until the deficiency bill mentioned above is passed.

If you have any questions, please contact the Fiscal Policy and Procedures Bureau at 916/323-0270.

Sincerely,

CLAUDE E. FINN
